NOTICE.

PUBLIC WORKS DEPARTMENT, IRRIGATION BRANCH.

- 1. Offers are invited from private firms or companies desirous of taking over the steam transport service now kept up by Government on the Sone Canals.
- 2. Copies of the following documents relating to the service may be had on application to the Under-Secretary in this Department, Writers' Buildings, Calcutta, or to the Superintending Engineer, Sone Circle, Arrah, Shahabad:—
 - I.-Description of the steamers employed.
 - II.—General rules under which the service is now conducted, shewing also the fares charged and distances run.
 - III.—Detailed statement shewing the receipts and working expenses of the service during the year 1882-83.
- 3. The tolls leviable, under Act V (B.C.) of 1864, on boats or steamers plying in the Sone Canals are shewn in a notice published in the Calcutta Gazette for the 18th January 1882, Part I, page 59. They are in amount as follows:—

			Per 100			1
			Rs.	Α.	Р.	
Arrah Canal				á.		
Dehree to Arrah railway bridge	 		2	3	O	1
Buxar Canal—						
Bedadi to railway, Buxar	 	••	2	0	0	
Patna Canal—						
Baroon to railway, Khagoul	 •	••	2	15	0	

- 4. The purchase of the steamers now employed on the canals must form an integral part of any tender. The descriptions of the steamers referred to in paragraph 2 of this notice are believed to be correct, but persons proposing to tender should examine the boats for themselves, as no errors of description will be admitted as a reason for cancelling a tender.
- 5. Reduced rates of tolls may, for a period not exceeding one year, be stipulated for; but in that case the fixed intervals at which the steamers will run must be mentioned in the tender, and the maintenance of an effective service will be required as a condition of the concession.
- 6. The Government will, so long as a service is regularly carried on, cease from carrying passengers by boat or steamer, or goods not required for Government works.
- 7. No exclusive concession can be granted, the canals being open to all boats, whatever the motive power, on payment of the tolls prescribed by law.
- 8. It is proposed to make over the service, should a tender be accepted, from the 1st of October next, but a later date may be named.
- 9. All tenders must be addressed to the Secretary to the Government of Bengal in the Public Works Department, and must be accompanied by a receipt from the officer in charge of the Third Calcutta Division, or from some Executive Engineer for Rs. 500 earnest-money, to be forfeited if the person tendering fails to carry out the offer made. Tenders will be received up to the 1st of September next.
 - 10. The highest or any tender will not necessarily be accepted.

Admission has been granted with effect from the day after death. 3. Mr. A. Christie has incurred the penalty prescribed in Article XXXVII of the Rules by having neglected for more than one year to pay the necessary subscriptions to the Fund on his furlough allowance. Mr. Christie urges forgetfulness as his plea for the omission. As Mr. Christie has now paid up all arrears of subscription together with 8 per cent interest as required by the Rules, the Managers recommend his case to the favourable consideration of

the meeting. 4. The votes of the Subscribers on the Resolution passed at the last General Meeting for the amendment of Article III of the Rules have been scrutinized with the following result :-

Against. For. ... 122 1 Amendment of Article III

5. In accordance with Article XXII of the Revised Rules, the Managers have to report that Mr. H. J. S. Cotton having obtained eight months' leave of absence tendered his resignation as an elected Manager, and that Mr. J. Monro was invited to join the Board of Managers in succession to Mr. Cotton.

The Managers will propose the following addition to, and amendment of, the rules :-

ARTICLE XXIX.

(a.)—In the second proviso for the words "continue the whole or any part of his pension," substitute the word "grant."

-In the same proviso, after the word "livelihood" insert "a pension not exceeding that to which he would be entitled if he had not passed the age of 21 years."

7. As regards the questions pending between the Secretary of State and the Civil Fund it will be remembered that the Secretary of State's decision on the question of the limit of the eight per cent fund, and his offer to take over the Fund were communicated in his despatch No. 16, dated 22nd December 1881. His calculations were based on a valuation of the Fund made by General Hannyngton for the date April 1st, 1875; and with his despatch he communicated General Hannyngton's report and a criticism of it by Mr. W. Sutton, the same Actuary who made for the Managers the valuations of 1878. The measure of benefits which he estimated that the Fund, on the conditions allowed by himself, could afford, and which he offered for the future to grant from it, was the unextended scale of the period before 1878, plus twenty two lakhs worth (that is, two-thirds or three quarters) of the extensions made by the Fund with effect from 1878. The Managers replied on April 5th, 1882, comparing the hard terms which the Secretary of State desired to impose on the Bengal Fund with the great liberality shewn to Madras and Bombay, and claiming a concession in some remote degree approaching to that made to the last two Funds in accepting their status quo up to 1875. The Secretary of State answers in a despatch No. 12, dated 9th November 1882 (of which we have received a few paragraphs only) in which he admits that Bengal has received less assistance than Madras or Bombay, but denies any claim on our part to obtain equal terms now. He, however, so far advances the terms he offers as to consent not only to twenty-two lakhs worth, but to the whole of the extensions of benefits we made in 1880 (except Annuitant's "ordinary" subscriptions); but he considers that in doing so he is offering to take over a deficit of nine lakhs of rupees.

The Managers attach copy of that part of the despatch last quoted which they have received from the Government of India and also copy of the reply which they made to the

Government upon the 20th March last.

Meantime Mr. Westland undertook a critical examination* of the valuations upon which the Secretary of State's case was based, and the conclusion he reaches is that the Fund is in a better position than the Secretary of State assumes, and that so far from there being a deficit of nine lakks of rupees the assets of the Fund "even under the conditions imposed by the Secretary of State are quite equal to meeting all its liabilities, and it is upon this basis alone that any negotiations for its transfer to Government should be entered upon." The Managers have the matter still under consideration.

Proposed by Mr. Stevens, seconded by Mr. Pargiter, and carried unanimously-

That the Managers' proceedings in admitting the families of the late Messrs. T. Taylor J. M. Pears, A. Lang, A. W. Cochran, H. M. Tobin, Geo. Loch, P. D. Dickens, and H. C. T. Robinson, the Hon'ble R. Forbes, and Mr. F. Skipwith to the benefits of the Fund be confirmed.

Proposed by Mr. Wilkins, and seconded by Mr. Stevens, and carried unanimously, that Mr. A. Christie be restored to the full rights of a subscriber.

With reference to the proposed amendment of Article XXIX of the rules, Mr. Westland explained that the object of the alteration was merely to clear up an ambiguity in the wording of the article, and to enable the Managers to give effect to its real intention. Strictly speaking, the proviso which it was proposed to amend limited the power of the Managers to the continuance of the whole or a part of pension which an incumbent had drawn before he reached his majority. The rule, therefore, as it at present stood, did not allow before he reached his majority. The rule, therefore, as it at present stood, did not allow the increase of the pension from £100 to £150, if the son became motherless after he was 21 years of age; whereas the limit would be £150, if the son had become motherless before attaining 21 years. Moreover, the practice of the Managers was to grant these pensions for a limited time only, so that the grant came up for reconsideration after the expiry of short periods. The Managers considered this practice a desirable one, on many grounds, and considered it advisable that the wording of the rule should more clearly cover it.

Proposed by the Hon'ble W. F. McDonell, seconded by Mr. Westland, and carried

That the amendment to Article XXIX of the rules be confirmed, subject to the necessary

sanction of the service.

The Chairman then read to the meeting paragraph 7 of the Managers' report, on which considerable discussion took place, and it was ultimately proposed by Mr. Charles, seconded by Mr. Wilkins, and carried unanimously-

"That the Managers be desired to take into early consideration the propriety of relieving annuitants of all their subscriptions according to pledges previously given by subscribers."

After a vote of thanks to the Chair the meeting dissolved.
